

### REMARKS

In the Office Action, the Examiner allowed claims 1-26 but required cancellation of non-elected claims 27-33. In addition, the Examiner required shortening of the Abstract to 150 words or less. By this response, Applicant has cancelled claims 27-33 and has provided a substitute Abstract in compliance with the Examiner's requests. Accordingly, Applicant believes that this application, with claims 1-26 remaining, is now in condition for allowance, and Applicant respectfully requests allowance thereof.
